

# Honors Option Agreement

Submit this application and a typed H-Option project description to the Career Placement Office (BS4090) **before the third week of classes.**

For Summer sessions, it must be submitted **by the end of the first week.**

## Read Carefully

Students must attach a separate sheet with a detailed description of the H-Option project. Additionally, please attach a syllabus with the regular course assignments. The student is responsible for reaching an H-Option agreement with the Instructor of the course.
